“ Beauty by nature  
crafted by us ”

## UNIQUENESS OF COMPANY

**Marmotech India** established in 2011 on the name of "Marble art gallery", a well known name in marble table top in world's biggest furniture market in New Delhi.

**PROCESS :** **Marmotech India** Specializes in production of slabs with quartz, agate, semi precious and precious gems and variety of exclusive and natural rocks selected from all parts of world. They are sliced, sorted in different shades and are artistically glued closely using transparent and colorless italian epoxy resin in random selection or special custom made designs. We also provide varieties with gold, silver or copper in glitter format.

**PRODUCT :** Owing to highest quality of epoxy resins, these slabs and accessories after being processed by machines and abrasive used to hone or leather finish can withstand the weather exposure and has unlimited applications. It can be used for outdoor facade, indoor application, counters tops, wall paneling etc. Light weight thin slabs can be used in yachts, air crafts and cars too.

### WE ARE DEALING IN FOLLOWING ITEMS :

Marble Dining Table Tops, Marble Centre Table Tops, Marble Side Table Tops, Marble Tree Table Tops, Marble Office Table Tops and Marble Pieces for Stairs, Marble Flooring Epoxy & Wooden Table Tops and all kind of home and office decor marbles .
